

# Programming with JavaScript

Learn the  
basics of  
programming  
in this free 2-  
part class.

A two part beginner-friendly introduction to programming class. We will use JavaScript, a language often used for web programming, though we will cover general programming concepts like variables, functions, and data structures. No previous programming experience necessary, and computers will be available for use.

**Tuesdays August 15th and 22nd 5:30-7:30**

**3rd Floor Community Meeting Room**

**Berkeley Public  
Library**

2090 Kittredge St  
Berkeley, CA 94704  
510-981-6148
