**Otero County Fair grounds**

**Admission: Free!!!**

**7am to 3pm-ish**

**EIN:850338170**

To: Whom it may concern

Subject: Door Prize Donations

Alamogordo Amateur Radio Club (AARC) is looking to our local business folks as in the past to donate door prize gifts to be given out at our event.

Our Hamfest brings in many people from around the state and out of state.

Looking to have a good size draw of 300 to 600 attendee's.

AARC covers all the costs of putting on the event and main prizes which is just under \$3,000.00 and looks to the Ham related vendors and local vendors to donate door prizes, could be anything from free meals, products, samples, anything we can use to give out and promote your business.

With our main prize ticket sales we hope to recoup and make a little to pay our bills (we are a non profit) any left over goes to cover our insurance, mail box, operations, maintenance of equipment and club activities (which are open to the public for free).

Thank You

Alamogordo Amateur Radio Club
