

# Build Your Own Internet

The People's Open Network is a community wireless network based in Oakland.

We're building an Internet that's open to everyone and belongs to everyone.

Join us for a workshop where we'll show you how it works, how to get on, and how you can help it grow!

Build Your Own Internet

Saturday, March 18th  
1 pm - 4 pm

Omni Commons Ballroom

4799 Shattuck Ave  
Oakland
