

Handyman/Maker Live-Work Exchange

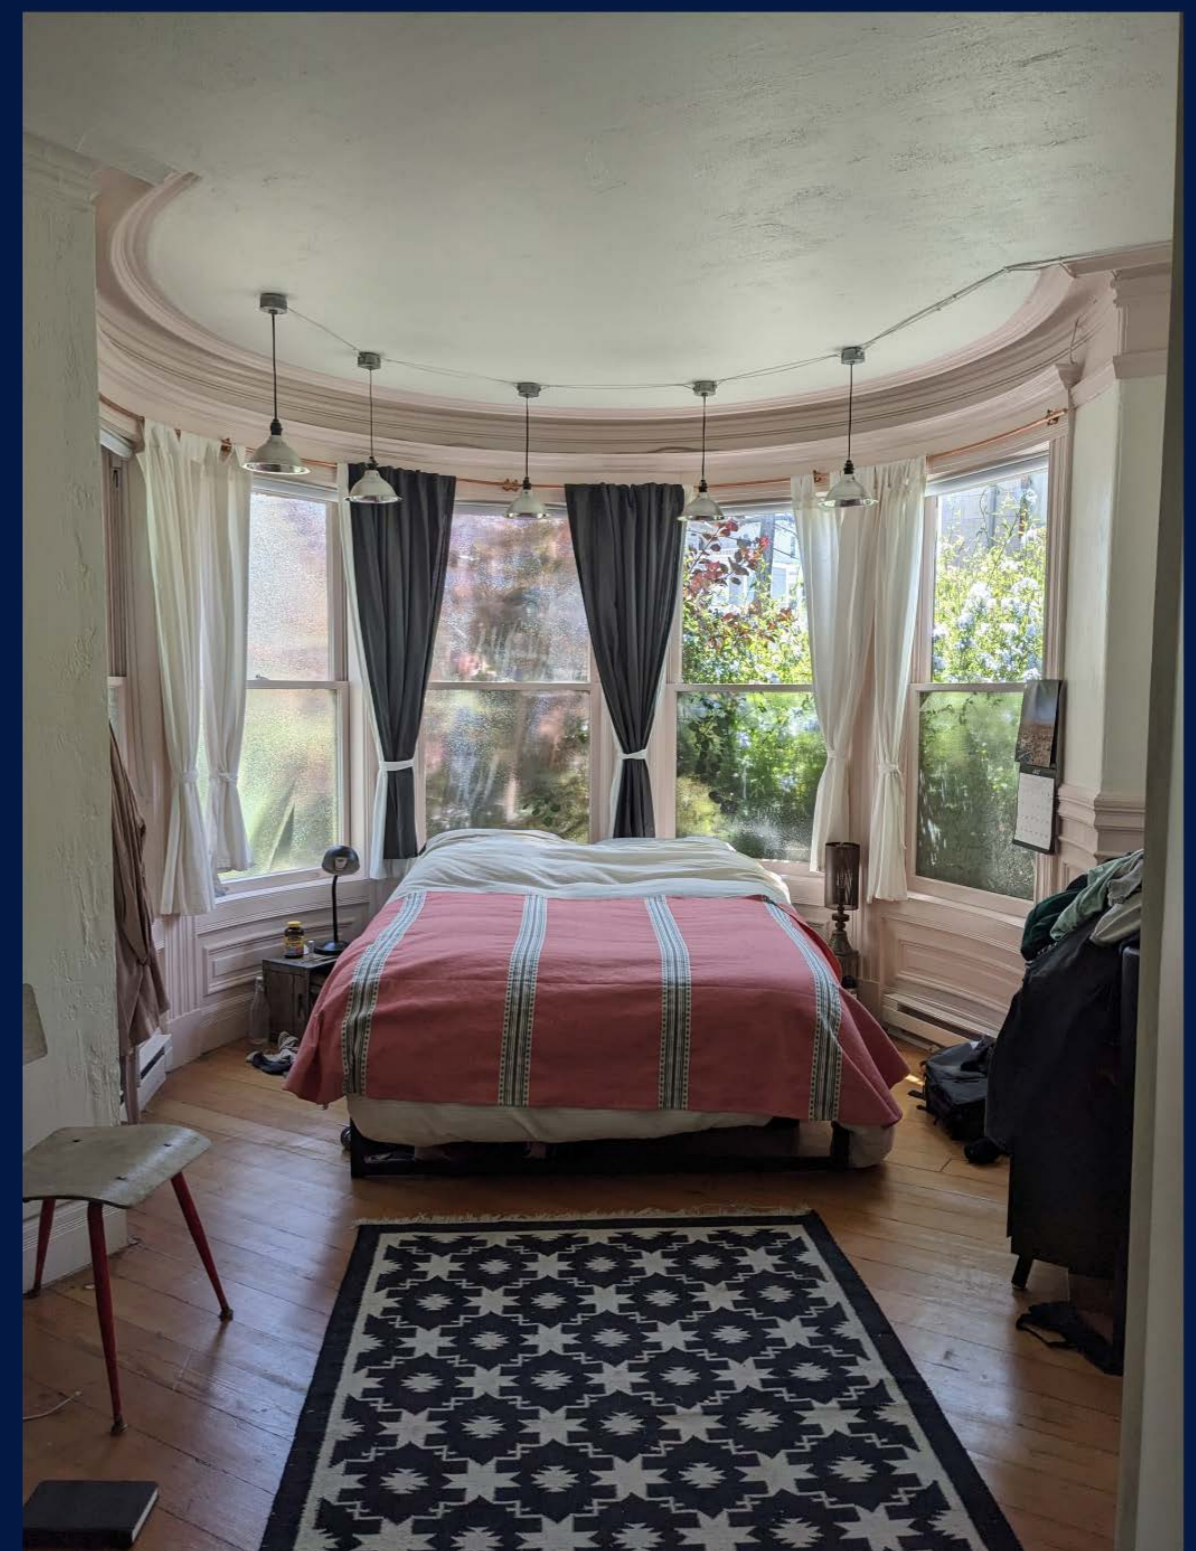

Beautiful 1-bedroom apartment rent free for a very part-time Shop & Building Manager

Stochastic Labs (located just a few blocks north of the UC Berkeley campus) is currently looking for a very part-time shop manager and all around handy human to keep our building and workshop in tip-top shape!

This live-work position includes a fully private, beautiful 1-bedroom apartment, rent-free, all utilities included, in one of Berkeley's most sought after neighborhoods. You will have 24-7 access to all onsite tools, including laser cutter, 3d printers, shopbot etc.

To apply

Please send resume/cover letter to work@stochasticlabs.org highlighting any specific carpentry, handyperson, and shop experience.

Stochastic Labs supports world-class artists, engineers, scientists, and entrepreneurs working at the uncharted intersections of their fields. This is truly a dream opportunity to engage with, support, (and build!) an incredible community of creative and dedicated innovators.
